Warehouse Department
2 X 135MW CFB Power Plant Project
Puting Bato, Calaca Batangas

Mr. Wang Ye
CNTIC -Project Manager

The group of DMCI Warehouse Department would like to acknowledge the effort and cooperation shown by team of CNTIC Procurement/Logistic department during the period of turnover of one year spare parts and special tools.

The completion of turn over to SLTEC for the said spare parts and special tools has not become easy. But with sincere and teamwork of our counterpart with CNTIC procurement/logistic, the task was finished on the targeted time.

With this, the continuous support and joint effort of both departments is highly appreciated.

Sincerely yours,

Piero Sedioli
DMCI Warehouse Manager
